Bursaries – Further Education full time courses

If you are 18 years of age or over on the official start day of your course, and will be studying a full-time further education course, you may be eligible for Bursary funding. The Bursary, including travel, is means tested and any award will depend on your household income.

Our bursary fund is finite and is allocated on a 'first come, first served' basis so it's important to make your application for bursary as soon as you've accepted our offer of a place.

If you are under 18 you may be eligible for EMA.

Higher Education (HE) Students

The Student Awards Agency for Scotland (SAAS) administers financial support for HE students following HNC, HND and Degree courses and can be contacted through the SAAS website at www.saas.gov.uk. You must apply to SAAS for payment of your tuition fees. If SAAS do not agree to pay your tuition fees then you will need to pay them yourself. It is your responsibility to arrange payment of your HE tuition fees.

You will be required to provide a copy of your SAAS award letter to us at the start of your course.

HE Student Loan - You can also apply through the SAAS website for help with living costs by applying for a student loan or any SAAS bursaries that you may be eligible for. Student Loans are paid monthly by bank transfer and supplementary grants such as Young Student Bursary are payable in three instalments. HE students do not get any travel or course related costs paid – study books, kit etc. are expected to be paid for by the student using their student loan.

Remember that as an HE student you can also apply for discretionary funds and childcare funds via the Student Hub, but you must have applied for the full student loan that you are eligible for first.

Part-time Higher Education students

To pay your tuition fees for part time HE study you can apply to SAAS for a Part Time Fee Grant. To be eligible you must have an income of less than £25,000 per year and be studying between 30 – 119 SCQF credits. You can get further information and download the application form at www.saas.gov.uk/part_time/

Payment Options

It is the responsibility of the student to pay the course fee at the point of enrolment or to provide evidence that an alternative arrangement has been put in place (e.g. SAAS award letter). All tuition fees for the academic year are due in full at the point of enrolment each year, unless students are eligible to pay by instalments and have arranged this in advance.

Where fees for a programme of study (within an academic year or within a semester) exceed £250, payment may be made by instalments, providing that:

- A first payment of at least £100 is made prior to commencement of study
- The balance is paid by up to a maximum of five equal payments on the 1st of each following month.
- Full payment is made before the end of the academic year or within the semester (for those studying for less than a full academic year).

Where applicable, ITA payments can be accepted as an initial instalment.

Self-funding students can make payments using cash (no coin), cheque, or major credit and debit cards, in any of our learning centres. If you would like to make a BACs Payment please ensure you reference your surname and either your student ID number or your date of birth and use the following account details:

Account Number	00130524
Sort Code	80-13-46
IBAN number	GB88 BOFS 8013 4600 1305 24
