FREE courses to build skills

We have a range of fun, practical courses so you can develop skills that benefit both you and your family and give you qualifications.

Courses are only open to Argyll and Bute residents.

Positive About Numbers

Improve your numbers skills and help your children with their school work.

Positive About Money

Understand interest rates, how to get the best deals and manage your household budget.

Confident About Communications

Get on the front foot to help your children by improving your own reading, writing, and listening.

Life Skills

If you're new to living on your own, our short course will give you tips on managing money, healthy eating and staying safe online.

English Language (ESOL)

We'll help you learn English, talk to people, and do things like shopping, going to the bank, and working. You'll also get a qualification.

Study in a friendly and supportive atmosphere in your choice of daytime or evening classes. These courses are FREE and available locally. Find start dates and booking details at www.argyll.uhi.ac.uk/multiply or call 0345 230 9969

These courses are fully funded through the UK Government Multiply Adult Numeracy programme as outlined in the Argyll and Bute UK Shared Prosperity Fund Investment Plan.
