1. Policy Statement
1.1 Argyll College UHI is committed to providing an inclusive learning environment in which every student can make the most of learning and development opportunities available throughout their student journey. All students have different learning needs, regardless of level of study.

1.2 The College/Institution will comply with the Equality Act 2010, and is committed to promoting equality of opportunity and fair treatment for those with protected characteristics.

1.3 Students will be given the opportunity to achieve their full potential through anticipation of service provision, ensuring reasonable adjustments will be made when and where required by Argyll College UHI.

2. Definitions
2.1 Personal Learning Support Plan: A Personal Learning Support Plan (PLSP) is a functional and confidential document which details the nature of a student's additional support need(s) and any support measures that have been agreed. PLSPs are drawn up in close consultation with students and regularly reviewed.

2.2 Access and Inclusion Strategy: Argyll College UHI has an Access and Inclusion Strategy, which can be found here. The purpose of this document is to ‘define the inclusive service we provide and how we monitor its effectiveness and impact. It outlines the inclusive service we provide for students and sets out our ambitions’ (from SFC guidance).

2.3 Reasonable adjustment duty: As set out in the Equality Act 2010, the reasonable adjustment duty is the legal obligation to remove as far as possible by reasonable means the disadvantage which a disabled student experiences because of their disability. Further information from the Equality and Human Rights Commission is available here.

3. Purpose
3.1 The purpose of this policy is to create a supportive environment for learners in the College/Institution. This policy is intended to promote access and inclusion and wherever possible to provide parity of experience for learners at each stage of their student journey.

3.2 The College/Institution will work with learners to identify needs through a combination of pre-entry disclosure, on-course disclosure, needs assessment, student request, tutor identification and partnership working.

3.3 Students will be provided with a range of opportunities to disclose specific requirements. Disclosures of specific requirements will be followed up by staff at Argyll College UHI where reasonable and appropriate.

3.4 Disclosures can be made at any time from pre-application. All students and prospective students are encouraged to disclose any specific requirements at the earliest opportunity, in order that appropriate support can be identified as soon as is practicable.

3.5 PLSPs: The Partnership recognises the value of the PLSP as a functional and confidential document that details the support and adjustments, including those related to academic assessment, that have been approved in light of a student’s specific needs. PLSPs should be used where appropriate, where it supports the learner and the situation warrants and/or necessitates the
use of this tool. PLSPs are one source of evidence used internally and by awarding bodies to support the identification of alternative assessment needs.

3.6 Planning for reasonable adjustments will be undertaken collaboratively between the student, support and academic staff. The student will always be regarded and treated as a central figure in this process and will be kept appraised of progress.

3.7 **Awarding Bodies**: When reviewing additional support requests validated by another awarding body, the awarding body website and/or policies must be referred to. For example City & Guilds qualifications which are accredited by SQA Accreditation would require us to refer to their website and contact policy@cityandguilds.com.

3.8 **Use of Personal Data**: Personal data collected through the Argyll College UHI Learner Support process will be handled in accordance with the University’s tertiary student document retention policy and the relevant privacy notice. Personal data will be anonymised and used for statistical purposes to monitor applications by age, disability, gender and gender reassignment, pregnancy and maternity status, ethnicity, religion and/or belief, sexual orientation, socio-economic background or care experience.

4. **Scope**

4.1 This policy applies to students undertaking FE and HE courses at the College/Institution, regardless of mode or level of delivery.

4.2 Whether it is reasonable for an education provider to make any particular adjustment will depend on a number of factors, including:

- The effectiveness of making the adjustment and whether it is practical to do so
- The financial resources available
- The availability of grants, loans and other assistance to disabled students, such as Disabled Student Allowance, or charitable trusts
- The extent to which aids and services will be provided to disabled students from other sources
- Health and Safety requirements – this means if the adjustment increased the risks to the health and safety of another person
- The relevant interests of other people – this means where the adjustment results in significant disadvantage for other people

5. **Exceptions**
